

# The Future Of Work - what is it? How do you describe it?

45 responses

# Getting ready for this future: what do we need to evolve? What do you need to evolve? Why?

We need change because we all deserve a better society.

Education!

Self leading

Know your strenghts

We need a lot more future in our education systems.

Learning to communicate, to solve conflicts

Explaining yourself instead of pointing to orhers

We need to evolve because we need to solve complex problems with new/different Tools/easy of thinking.

# Getting ready for this future: what do we need to evolve? What do you need to evolve? Why?

Get rid of learned attitudes and habits. Become and live our pure self, which includes respect for others, doing the same.

Deep listening

You are the only person that can make you happy.

Equality

Servant leadership

Sharing power/influence

We need to focus on education and give reflected people a chance to take decisions both in business and in politics

Courage, reflection, emotion, purpose, fun, new points of view, meaningful discussion with leaders in society,

# Getting ready for this future: what do we need to evolve? What do you need to evolve? Why?

Having the courage to speak up and being vulnerable

I need to get out of the growth paradigm. I do not have to work. I do not have to make money.

Inspiration, Love and a Minimum of Ressources   
 

Also important to slow down and reflect much more before decide and act.

New educational systems and goals

Feeling responsible for the worlds well being : Sustainable leadership

# Getting it done - how? Is there a best time to start? Consider three levels: On your personal, on your organisation's and on our society's level?

Decide to start and start immediately.

Sometimes, when you feel everything is falling apart. (On a personal level)

The future will be bright!

If you absolutely want to be market leader, you have to be the first, if you want be max profitable, you are well advised to be second, but waiting can lead to better opportunities ... 🦄

Find ways to pass on your knowledge and positivity.

That gut feeling 😊

Dare to lead!

How? Listen to your inner voice and trust your feelings.

## Getting it done - how? Is there a best time to start? Consider three levels: On your personal, on your organisation's and on our society's level?

Start now, where you are with what you have! Do it from the heart!

Find a network that shares your values

More political Support

Dare to be different

Look for options to share your mindset. There are daily situations to spread the word!

Idols & inspiring people

Find people to discuss those topics.

Be a role model.

# Getting it done - how? Is there a best time to start? Consider three levels: On your personal, on your organisation's and on our society's level?

Know your circle of influence!

For all 3 questions: a strong vision + positive feelings + consequence

Eine besondere clevere Lösung ist natürlich, sich einer besonders kompetenten Beraterin zu bedienen und diese sehr loblich zu belohnen 🙌
